Thank you Dorothy.

Right now I have 19 people registered. The only thing is more people
from the community may just show up for the 1030AM session to hear about
the watershed assessment. I have not requested that people register
for that session.

There are tribal leaders and environmental staff coming in from

Aleknagik, Portage Creek, Twin Hills, and New Stuyahok. As the registration process continues I will let you know of any additions.

Thank you again.

Sincerely - Tami

Thanks, Tami,
Chief Tom Tilden did confirm that he would provide a welcome on June 3 at both the Valerie A. Larson Family Resource Center at 8:30 a.m. and at the Elementary School Gym at 10:30 a.m.
Also, the Curyung Tribal Council will sponsor a Potluck for all present at 12:00 noon before the EPA folks need to leave for the airport. Would you please get me a headcount per your registration?
See you in a week.
